

ORAL PRESENTATIONS

Plenary Session, Hall 2-1

CONFERENCE OPENING

Thursday, October 22, 10:00 – 11:30

<https://lledm.zoom.us/j/96327908646?pwd=MUF2R3M1NVZNWUFwaUhYT3BYSksrQT09>

Conference Opening

Chairperson of the conference
“Materials Engineering and Modern Manufacturing 2020”
Assoc. Prof. *Regita Bendikienė*

Welcome Speech

Plenary lecture I

Kaunas University of Technology, Institute of Materials Science, Lithuania
Prof. Sigitas Tamulevičius

Micro and Nanotechnology Research at the Institute of Materials Science
of Kaunas University of Technology

Plenary lecture II

University of Stavanger, Norway
Prof. R.M. Chandima Ratnayake

Technological Elements of Circular Economy: Role of Material Technology
in Circular Manufacturing, Fabrication and Construction

Plenary lecture III

JSC „Baltec CNC Technologies“, Lithuania
Dr. Edvinas Dubinskas

SMART Technologies in Manufacturing Industry
